

HUNTINGDON VALLEY SURGERY CENTER

Patient Information RE: Financial Policy

To Our Patients:

As a courtesy, Huntingdon Valley Surgical Center verifies your benefits with your insurance company. A quote of benefits is not a guarantee of payment. Accepting your insurance does not place all financial responsibilities onto this practice, and you will be held accountable for any unpaid balances by your plan.

Although we are contracted with most insurance carriers, our services may not be covered by your insurance plan. Please remember that you are 100 % responsible for all charges incurred. We highly recommend you also contact your insurance carrier and check into your coverage for outpatient surgery.

It is the policy of Huntingdon Valley Surgical Center that payment is due at the time of service unless other financial arrangements are made in advance. We require all patients to pay their deductible, Co-pay and / or coinsurance payment at the beginning of each visit. The quote we receive from your insurance carrier is an estimated cost, if a credit is due, we will refund you promptly. The center makes every attempt to reach you prior to your procedure to explain this information to you.

After your visit with us you may be billed for any additional service you received. Please feel free to contact us with any questions or concerns that you may have.

Thank you for choosing our center for your medical needs.
